

LOCATION RELEASE FORM

This Location Release confirms the agreement between the Property Owner and the Producer (hereby defined as the individual responsible for the filming, video recording, photographing, and/or sound recording related to a specific Production) to make the requested Property available under the following conditions:

1. The Property shall be made available to the Producer for the purpose of recording and photographing exterior and/or interior scenes in connection with the Production.
2. The Property Owner agrees to the provision of access for all personnel, props, production equipment, and vehicles required by the Producer for use in connection with the making of the Production.
3. The Producer shall be entitled to make use of the Property during the Release Period, hereby determined to be from _____ to _____, and shall not make any intentional alteration to the Property, except with permission by the Property Owner.
4. The Producer shall own the entire copyright to all film, video, photographs, still images, and audio recorded in or about the Property.
5. The Producer shall have the right to license and/or sub-license the whole or any part of the media recorded at the Property to any company or individual.
